Forecast for Sunday 18 Jul 2021

Weather: Some low cloud and a little drizzle across the Argyll hills and the Trossachs in the early hours. This burning off back to the coast through the morning, although some low cloud may linger across southwestern Argyll into the early afternoon. Otherwise a dry day with some sunny intervals, best of the sunshine across Arran.

Chance of cloud free mountain/hill tops above 800m: 80%

Visibility: Poor in low cloud in the north down to 400 metres, this mostly burning off by early afternoon to leave very good visibility with little cloud expected on summits.
